

SW-5.1 1010

6-Piece Speaker System with Remote Control

Free yourself from using controls on audio devices to enjoy movies, music and games with the 6-piece speaker system SW-5.1 1010 from Genius. The convenient wireless remote control lets you adjust the volume and bass, with a mute and reset function.

SW-5.1 1010 delivers impressive booming bass with a 4" driver in the ultra-rigid MDF wood case. And the stylish oblique satellite speakers create better acoustics for full surround effect. You can enjoy clear and wonderful sound in a wider dynamic range. And the color-coded cable plugs make it easy to connect to a PC 5.1 channel sound card. Plus the convenient 2.0ch input lets you hear music from a MP3/CD player, iPod or Notebook.

So enjoy SW-5.1 1010 in six channel surround sound with your favorite movies, games, or music. Just contact your sales representative for more information.
